- Other tasks completed by Hancock County Road Department:
 - Beaver Dams checked and cleaned out on weekly basis throughout the county
 - Beaver trapping has been implemented to trap beaver near or around culvert and drain pipe maintained by the county.
 - Trees removed from road ways and right of way
 - Patch potholes as needed and as reported
 - Painting road department interior shop area
- Contracted Maintenance Services performed on Hancock County Roadways are as follows for September 2019 – November 2019:

In an effort to improve county road maintenance and infrastructure, an aggressive campaign of cross drain inspections, box culvert inspections, and making necessary repairs to include lining of cross drains to prevent failure and having to excavate entire roadways. (Barksdale Contracted and Supply Inc.)

- All areas where work is performed is grassed and seeded as needed upon removal of all debris
- Culverts are restored to functioning capabilities on both inlet and outlet ends
- Oconee Drive, Hickory Grove Church Road, Gilbert Road, Covey Rise Farm Road, Lake Sinclair Drive, and Beulah Highway

- A detail report of inspections and prioritized ratings of inspections are on file
- East Lake interior side road patching will be performed by Barksdale Contracting assisting Hancock County Road Department to address deteriorating side roads and intersections. (Lake Sinclair Drive, Island Creek Drive, and Oconee Drive.
- 2019 LMIG Project completed 10-28-2019:
 - Warren Chapel heavy patching in most needed areas.
 - Gum Cemetery road in its entirety
 - Ash Lane, Woodland Way, Dogwood Drive, Forest Court, Sycamore Lane, Birch Lane (entire roadways)
- Southern Asphalt Patching which will continue to through December 2019
 - Friendship Nebo Road, Linton Road/Linton Community, Hamburg State Park Road, Jewell Road, Hickory Grove Church Road, and Dunn Road.
 - Various other roads are on the schedule and as we have warmer/dryer days patching will continue
- Wood Group PLC (Hancock County Road Consultants):
 - Preparing 2020 LMIG Project
 - Prepared Cost Estimates for next round of (T-SPLOST) Transportation Initiative Act Projects
 - Updated East Lake Interior /Side Road Cost Estimates have been prepared and are under review
 - Rating of roadways and infrastructure are rated and being prioritized along with the cost estimates.

Numerous projects are underway and in planning stages. Year end costs for road expenditures will be included in the December 2019 year end report along with any updates. We do our best to address all concerns with the resources available and are proud of the progress we have made. More progress is needed, and we are committed to the betterment of Hancock County for ALL.

Sincerely,

Borderick D. Foster
Hancock County Clerk – Road Administrator
