- (8-14-20 thru 8-27-20) Performed inspections, inspected cross drains, set stakes at work site, placed sand\bags to divert water, and worked to repair drainage issues: Hickory Pass, Pine Valley Rd, Hampton Rd, and Mt. Stephens Rd
- Glen Ford Railroad Bridge railings and unsecured decking are being repaired by CSX (9-28-20) Repairs are currently ongoing. Repairs are scheduled on Davis Rd Railroad Bridge as well so it can be reopened.
- Road Department made repairs to wood bridges located on Rabun Rd and Jones Bridge Rd. Decking repairs are made with custom oak boards and half of the bridge repairs are Hancock County and half Warren County.

- Asphalt patching on Lake Sinclair Drive, Island Creek Dr, and East Lake area began (9-15-20) and will continue to repair all major pothole and areas damaged by culvert replacement. Also, all intersections are scheduled to be repaired on Oconee Dr, Island Creek Dr, and Lake Sinclair Dr.
 - Patching will proceed to Carrs Station, Jones Chapel, and other areas of the county. Plans are to work from connecting roads and systematically move from area to area.
 - Patching is scheduled to continue throughout the year and invoiced monthly/quarterly to service all areas of the county.
- Hancock County Board of Commissioners and other community partners have worked hard to increase Census participation and awareness. Commission staff entered citizens online that elected to participate or were directed to us for assistance.

Sincerely

Borderick D. Foster
Hancock County Clerk – Road Administrator
